

Dear TMS Community member,

After a 4 year hiatus, TMS is excited to be *Together Again* and celebrate with our School Community at the TITAN GALA. On **April 21, 2023** over 400 members of the TMS Community and their friends will join together at the Universal Event Space in Vaughan for a magical evening of entertainment, sumptuous food, socializing and so much more.

The goal of the evening is to engage with as many members of the School Community as possible in a setting where we can enjoy each other's company, make new friendships, raise some funds for the School to support the ongoing success of our students. Activities for the evening will include exciting live and silent auctions, delicious food, a brand new gala "after-party", and many more surprises!

This year, with a mindset focusing on sustainability, we are switching to a digital program for the *Titan Gala*. The *Digital Gala Program* will provide you with the opportunity to showcase your brand and products to the TMS Community.

The *Digital Gala Program* will be circulated through a QR code and link to the gala attendees, to our school community prior to the event, and will also be available online on the school's website.

- A Full Page colour ad in the Gala program costs \$250

Your support will also be recognized at the Gala on our Gala Multimedia screens throughout the venue. If you are interested in participating, please complete and return the Gala Advertising form.

We look forward to hearing from you.

Sincerely,

*Rakesh Tripathi*
