

Inter-Campus and Neighbourhood Field Trips

Dear Parents/Guardians:

Depending on the status of the pandemic restrictions, certain students may be asked to travel within the TMS neighbourhood as part of a local class trip. Students may also be asked to travel to the TMS Lower School to join events taking place at that campus throughout the school year.

Transportation to and from all destinations include walking, school provided transportation (bus/taxi), or private transportation, depending on the circumstances.

During these visits outside school property, students will be supervised by their teacher(s) and every effort will be made to ensure that students are given instructions regarding safety and appropriate behaviour while travelling to and from their destination.

Please sign and return the attached Inter-Campus and Neighbourhood Field Trip Permission Form to allow your child to travel off-campus.

If you have additional questions or concerns, please do not hesitate to contact me.

Sincerely,
