

## **TMS Technology Use Policy Elementary**

### **ACCEPTABLE USE OF TECHNOLOGY**

The purpose of this policy is to set out conditions for the use of technology in TMS, including all computers, computer related equipment, personal computers or electronic equipment, database/records systems, networks, software, the e-mail system and use of and access to the Internet and/or Intranet at the School.

TMS students use technology in order to communicate with one another and fulfill their academic responsibilities effectively and efficiently. Access to these resources is a privilege and brings with it the need for responsible behaviour.

Each student has a responsibility to uphold the School's ethics and values and to use all technology, including the Internet, in a responsible, productive and professional manner. This policy has been established to ensure the security and the integrity of the School's computing and communication systems and uphold School standards.

Failure to comply with this policy may result in forfeiture of technology usage, suspension of computer privileges and disciplinary action up to and including possible expulsion. TMS will not provide compensation for any academic loss incurred as a result.

For the purpose of this policy, "academic" refers to any activity that is related to class or course work.

#### **1. GENERAL USAGE AND NETWORK ACCOUNT**

- 1.1. Technology usage is for academic purposes only.
- 1.2. Any inappropriate use of technology is unacceptable. TMS Staff have the right to stop the use of the computer immediately if any abuse of the computer is observed.
- 1.3. The user will not use TMS technology as entertainment. This includes but is not limited to leisure game playing and leisure web surfing.
- 1.4. No food or drink is allowed near the TMS technology, whether in use or not.
- 1.5. The user will access and use only their own network account. The user will not divulge their password to other users.
- 1.6. The user will not tamper with nor modify another user's account, computer workstation or files.
- 1.7. Changes to computer properties such as desktop, theme or cursor settings are not allowed. Screensavers are not allowed.
- 1.8. Students must be mindful when printing. Abuse of printing privileges will result in their suspension.

#### **2. INTERNET USE, FILE CONTENTS AND PRIVACY**

TMS has put in place a blocked website list to prevent inappropriate material being passed through the network; however it does not ensure 100% prevention. Acceptable Internet usage remains the responsibility of the student. TMS monitors Internet access and the student should assume no privacy.

- 2.1. The student will only access Internet resources that are academically or course related.
- 2.2. Internet sources must be documented; plagiarism will not be tolerated.

## **TMS Technology Use Policy Elementary**

- 2.3. The student will not intentionally access Internet resources which would generally be deemed inappropriate or cause embarrassment to others.
- 2.4. Any attempts to circumvent the school Internet firewall are prohibited.
- 2.5. Any form of cyber-bullying will not be tolerated.
- 2.6. The student will not download any malware, non-academic image, audio or video files.
- 2.7. The student accepts full responsibility for any content stored or created on TMS computers or the Internet.
- 2.8. The student is responsible for saving and organizing files. The student will back up important files to the H drive or a USB drive. TMS assumes no responsibility if the student fails to do so.
- 2.9. TMS reserves the right to scan and evaluate the contents of student files at any time without the student's permission.

### **3. HARDWARE AND SOFTWARE**

- 3.1. The student will not connect any non-TMS hardware (locally or remotely) to the computer unless approved by the I.T. Department or the computer specialist.
- 3.2. Personal laptops or tablets are prohibited from connecting to the TMS network without proper authorization from the Learning Strategies Specialist and Network Administrator
- 3.3. Personal Wi-Fi devices such as handheld consoles are not permitted on the TMS network
- 3.4. Students may connect and store files on personal portable devices such as USB flash drives provided that they are virus free.
- 3.5. Installation of software that is not licensed to, or approved by TMS, is strictly prohibited.
- 3.6. The student will not use any file sharing programs or any instant/online messaging programs.
- 3.7. Under no circumstances shall illegal copies of copyrighted software be made or used on school equipment.
- 3.8. The student is responsible for the cost of repair of any physical and software damage to the computer; this includes damage from carelessness and obvious abuse.

### **4. EMAIL USE (where applicable)**

- 4.1. TMS email is for academic purposes only; the student will not use email for personal use.
- 4.2. Email accounts have a storage limit. The student is responsible for maintaining their emails, purging old emails when necessary.
- 4.3. Spamming or any form of junk email forwarding will not be tolerated.
- 4.4. Cyber bullying, or sending improper hurtful messages is absolutely not permitted
- 4.5. TMS reserves the right to scan email accounts at any time without the student's permission.

***The following is a summary of the TMS Acceptable Use Policy. Please read and discuss the following points with your child before signing. We ask that older students read the policy in full.***
