

Lower and Upper School Shuttle Service

To assist families with the transportation of students between the Lower School and Upper School, TMS is pleased to offer a Campus Shuttle Service for 2020/21. The service travels between the Lower School and Upper School, and is open to both Elementary and Upper School students. The service is provided through a local school bus company, using a bus suitable for the number of riders. Since TMS is not running the bussing pilot for now, we are looking at ways to extend the shuttle route along Bayview Avenue, to just south of the Lower School and just north of the Upper School.

The tentative Shuttle Bus schedule is attached. This may be fine-tuned as circumstances require. To meet the schedule, the bus will do its best to leave promptly at the scheduled times. It will not wait for late students. It is the family's responsibility to be on time. There will be no credit provided for days missed due to the lateness or absence of a student. Note that there will be no Shuttle Bus service on days determined by the bus company to be "snow days". There will be no credit for these days.

The price is \$1000 per student for the year.

Sign up for the Shuttle Bus is on a first-come, first-served basis. Once the Shuttle Bus is full, additional families will not be able to use the service until there is a vacancy.

To ensure a place for your child on the Lower School and Upper School Shuttle Bus, please complete the attached form, including your cheque for \$1000, and return the form and payment to the Main Office of the Lower or Upper School to the attention of Christina Moricz.

Campus Shuttle Bus Application
