## Instrumental Music

### (Upper School)

Dear Parents,

Please consider one of the options below when renting your musical instrument for the next school year.

**TMS Students coming from the Lower School** to the Upper School will continue to play the same instrument played in Grade 6. All students must have their instrument by the first week of school (See below for information on rental retailers).

**TMS Lower School Students who are considering changing instruments:**

Please email Mr. Marlés ([marles@tmsschool.ca](mailto:marles@tmsschool.ca)) as soon as possible, to introduce yourself and inform him of the specific instrument that you would like to play. Please provide a detailed explanation or main reasons for a change of instrument.

**Students who are new to TMS:**

Please email Mr. Marlés ([marles@tmsschool.ca](mailto:marles@tmsschool.ca)) before the end of August, to introduce yourself and inform him of the specific concert band instrument that you would like to play. The options are: Flute, Clarinet\*, Alto or Tenor Saxophone\*, Trumpet, Trombone and Baritone.

**\*It is strongly recommended that the rental instruments and mouth pieces for clarinets and saxophones be the Yamaha brand.**

*Note: Students interested in playing percussion must have previous percussion training, perform an audition and a sight-reading test.*

These are the stores that provide school rentals and have our information:
