

## Upper School Supply List 2023-2024

### **TMS Technology Requirements:**

Technology at TMS is an investment and, as such, requirements and recommendations are listed below. The TMS technology requirements were created with consideration into student use, ergonomics and economics. With proper care and maintenance, a laptop purchased in Grade 7 should last the course of the Middle Years Programme (Grades 7-10).

### **TMS Upper School is a Mac-based school and a 13-inch MacBook Pro is required.**

This laptop runs all required software programs effectively for a TMS student as well as important Apple services used in the classroom such as AirDrop and Apple Classroom. You may wish to upgrade the Processor and RAM to improve the lifespan and efficiency of the laptop.

### **Current Apple MacBook Pro**

**13-inch with M1 or M2 Processor**

**Minimum 16 GB Memory**

**Minimum 512 GB SSD Hard Drive (storage)**

### **Required Software:**

- Pages (included)
- Numbers (included)
- Keynote (included)
- Mail client (included)
- GarageBand (included)
- iMovie (included)

**Note: purchase of the 3-year service warranty (AppleCare) is strongly recommended**

### **Recommended Accessories:**

- Backpack with protective anti-crush laptop compartment
- Protective case
- USB-C Multiport Adapter
- Wireless mouse
- Extra power cord

## Supply List: All Students

- A school bag to carry textbooks for several classes in a row (This school bag should also fit easily into your locker if you are not carrying it to class)

- A re-useable water bottle

## Grades 7-10:

### Sport / Safety Gear

- Skates
- CSA approved hockey helmet and mask
- Soccer shin-pads
- Outdoor running shoes
- Indoor running shoes
- Lock (stated above in supply list)

### Supply List

The following is a complete list of the materials your son or daughter will need for the school year. We have made an effort to select materials which will allow students to come prepared, be organized and develop the appropriate work habits and skills. To that end, we have selected materials that are durable and will be used repeatedly throughout the years. If your child currently has any items on this list that are in good condition please have them reuse them. We have tried to source items that are durable enough to last several years.

Please purchase the exact items and quantities listed below. Staples, at 1700 Elgin Mills East, has provided us with the SKU number for each item. For easier shopping you can present this list to this Staples branch. Alternatively, you can copy and paste the SKU numbers into the search bar at <https://www.staples.ca/> if you prefer to purchase the items online. We hope you will find this a convenient way to get the required supplies.

**Don't forget to label items of clothing, technology, and commonly misplaced items  
(lunch boxes, water bottles, calculators)**
